# CONCENTRATION

— A CANNABINOID EXTRACTION CONFERENCE | 2021 —

Join us at our **third annual CONCENTRATION Conference**, the **ONLY** extraction conference for the cannabinoid industry. Our driving force is education and we are powered by the popular **Extraction Magazine**.

Come along with us, whether as a sponsor, an exhibitor, a speaker or an attendee, we invite you to join us. Help us move the needle with the FDA and it's fellows.

## Why Should You Choose Concentration?

We are the world's **First and Only Expo** dedicated completely to **Extraction** with the best of the best geeking out on scientific extraction techniques and advances.

## Exposure

With **over 75 years** of combined experience in marketing, the CONCENTRATION team is ready to reveal your equipment and products to the world. CONCENTRATION organizer (MACE Media Group) has hosted over **190,000 attendees, 4,500 speakers, and 10,000 exhibitors** from around the world specifically in the cannabinoid space. Exhibitors of CONCENTRATION directly engage with manufacturers, white label companies, consumers, farmers and big-box buyers.

## Education

CONCENTRATION is more than a display of the latest and most innovative extraction products. It offers the highest level of **Cannabinoid Education**. Boasting a variety of specialty speaking tracks and cannabinoid education courses featuring **PhDs, Physicians, Scientist, and Researchers** from all over the world, CONCENTRATION is the place to gain valuable knowledge. Discover the cutting edge of research, technology and science, brush up on regulation and compliance and earn a certification in **Extraction Science lead by Dr. John MacKay**.

## Community

CONCENTRATION is host to over **3,500 attendees** that are involved in the cannabinoid industry. We invite you to connect with cannabinoid professionals to share real-world knowledge and experiences to take your business to the next level. CONCENTRATION empowers professionals in the cannabinoid industry with education, advocacy and community.
